Everyone is admiring the new Landscaping being done around The Winery. This is one of the patio Areas being crafted for them.

It's very easy to picture Beautiful weddings and Parties being held here

A couple more patio areas show How beautiful everything will be, Including the antique wine press

FOR SALE

I was at the In and Out Burger in Elk Grove in the 36. A guy asked if I knew someone who would be interested in purchasing an all original 1939 Oldsmobile two door sedan. The man's name is Leo V.

He would like \$12,500 for it. His phone number is 916-821-9090.

Charles

An all Henry steel 1932 Ford pickup...all factory Ford steel from 1932! Everything in pieces for easy crating/shipping to anywhere in the world. Every piece was professionally media blasted, then epoxy primed. This '32 is in outstanding condition and can easily be made into a #1 car! Trucks are hot. This truck is rare. Even more rare is that all the hard parts to find are there, and not just there...in absolutely cherry condition!

Cab is solid with only minor blow through in the corners and base of cab with no extra drill holes anywhere! This truck is superior in every way to anything out there like it. Easy shipping. Powder coat it, paint it, rod it, bring it back to stock, what ever you want to do this thing is a dream blank canvas.

Also have 1932 California Black plates (two) that will go with the truck.

The truck is being stored in a \$30K enclosed trailer, so it will remain in prime condition until sold. Price - \$ 14,000 OBO
